

Home And School Association Meeting Notes

December 14th, 2022

The meeting opened with prayer led by Dr. Guernsey.

He then provided an update on recent school events, including home and school assisted events:

- The school's first benefit dinner was a good success. It was held on December 4th and attended by 72 guests at \$125 a plate. Several large donations were also received for a new building project.
- The Our Lady of Guadalupe Festival was a smashing success with more than 600 people in attendance. Marilyn Ibarra and Ana Umana and a group of dedicated volunteers worked tirelessly to pull off this growing tradition. Marilyn may be interested in handing off Charing the event to a new event coordinator next year. Contact Dr. Guernsey if interested.

Upcoming events involving home and school association volunteers:

- Catholic schools week January 30th through February 3rd. The room parents will take leadership in coordinating decorating the rooms according to the set themes.
- The next big event is the Father/Daughter dance on February 11th. Mrs. Herron has agreed to chair the event again. Volunteer needs are listed on the school's signup genius link.
- The March 3rd grandparent's day will be coordinated by our new marketing and development director. A candidate has been identified and is in process to fill that position.
- The next major event will be the March 19th St Joseph's potluck dinner. This will be led by Ana Umana, again signups are available via signup genius.
- The final event in the works is the April first Mother/Son fun day coordinated by Katie Horde signup help also available for that event.

Additionally, the School is in the process of raffling off a golf cart. The raffle will occur at the Paris gala the first weekend of February. 50 tickets have been sold, with a goal of 300 total.

Under new business we discussed ideas for a school wide family gathering of some sort in the spring. Ideas included a "breakfast for dinner" fundraising dinner, a parent dance, a trivia night, or an end of the year picnic/pig roast. Feel free to share your ideas with Dr. Guernsey
